

Youth Sponsor/Leader Covenant

This is the covenant we will sign together at our Sponsor Meeting the first evening of Shake!

To allow everyone involved the best experience at Shake, we believe that we need to make some promise statements together. You are invited to promise with us by signing our youth sponsor/leader Shake covenant.

We seek to worship, learn, play, and have a lot of fun together. To do this, we agree that:

- 1) We are the primary supervisors of our youth during the Shake gathering;
- 2) We will encourage appropriate behavior and help youth embody their covenants;
- 3) We are responsible for the overall health, safety, and well-being of our youth. Injuries and /or illness should be immediately reported to the onsite Health Officer;
- 4) We will be full participants in all aspects of Shake and will encourage our youth to immerse themselves in the Shake experience;
- 5) We are responsible to ensure that youth are present in their rooms at midnight every night, with lights out by 12:30 a.m.;
- 6) We will connect daily with the youth we are supervising, processing their experiences and doing what we can to facilitate a positive experience for them;
- 7) If larger discipline problems arise or if something in the written guidelines needs to be clarified, we will seek out and speak with Kirsten Hamm-Epp or Kathy Giesbrecht;
- 8) If we see youth participants (who are not from our group) doing something inappropriate, we will take action, if necessary, at the time and report the incident to their youth sponsor.
